

**Ruth Agyei, AT&T**  
**Community Engagement Lead EMEA, Aspire Program**

Since late 2012 Ruth has been the Regional Lead on the Community Engagement Program under the Chairman's Aspire initiative. The goal of this program is to encourage students to successfully complete school and to pursue further education and careers by providing them mentoring in critical 21st century work skills, academic support and connecting the importance of learning .

She has developed and supported links with local schools and spearheaded a team of 30 volunteers to work in collaboration with Junior Achievement an Educational charity to run Workshops supporting the curriculum at one of the local schools. Ruth has led the expansion of the EMEA Aspire Program which now exists in Belgium, Boblingen, Bratislava, Brno, Den Haag, Havant, India, Kosice, London, Paris, Redditch and Tel Aviv.

Ruth joined AT&T in 2007 as an Executive Assistant to the VP, EMEA. She worked for three years supporting the Sales function in EMEA and moved to Service Management in 2012.

She has an interesting and varied background spanning Banking and Finance worked at Chase JP Morgan, Barclays and SVC as a Relationship Manager for over a decade. She has spent time abroad working for the British Government. Passionate about education and youth work, Ruth spends what spare time she can find supporting the Youth in her local community.

Ruth has postgraduate qualifications in Management from the Henley MBA College and Warwick University. She also holds a BA in Business Management and is a Qualified Teacher.
